Request to testify at the public hearing on immigrant driver's licenses in the state of Ct.

I'm here to apply for a license for immigrants.
I think that would give us more confidence to everyone and we were guided walking safer on the streets.
It would be better for the police when we have a license to present.
For me it is important because I need to work to support my family.
I also can serve I.D. and could pay my own insurance.
The community would be more peaceful if we leave we were immigrants.
Personally, I could continue to care and my family by solving.

Thank you very much,

Gonzalez Joselino
